Lot	Description
315	Baldor 8" pedestal grinder, model 8107WD, s/n P500, 3/4 HP, 115/230V, 1ph, 60hz, 3600 rpm, with dust collector unit [Maintenance Shop]
316	Alexander cutter/grinder, model 2CG, s/n 4009, Deckel type tool grinder, single lip, 5000rpm max, with (6) collette, various grinding wheels as shown [Maintenance Shop]
317	Makita cut-off saw, 12" dia, corded metal cutting, on model WST06 compact folding miter saw stand, aluminum, approx 43" wide x 11" material support extension @ 100", 500lbs capacity rating [Maintenance Shop]
318	Makita and Ridgid 10" dia miter saw on miter saw utility vehicle, model LS1013 and AC9944, s/n 57184 and AU0933, Slide/compound type, 120v, 13A, 50-60hz, 3700rpm on quick release mount bracket stand, lift assist handle, work support and extension arms, transport handle, spring loaded legs [Maintenance Shop] ...[more]
319	Delta belt / disc sander combo, model Cat No. 52-611, s/n 00F47196, for Woodworking projects, 6" belt x 10" disc [Maintenance Shop]
320	Powermatic floor drill press, model 1200HD, s/n 20075, with Baldor AC inverter, variable spindle speed, approx 15"x18" table drill surface, 1-1/2" drill capacity, 2hp, 1740rpm, 208-230/460v [Maintenance Shop]
321	Colchester Clausing 13 geared head center lathe machine, model STUDENT 2500, s/n 306567(2000), with Acu-Rite digital milling control, 13"swing center, 40" between centers, Aloris single tool post, model BXA, milling bed, with cross slide, tail stock, 2hp, 2500rpm max, 40rpm min, approx 8"dia, 3 jaws ...[more]
322	DI-ACRO-Houdaille hand notcher, model No.1, s/n 4674, 6" x6" blade, 16Ga capacity, benchtop unit, 90 deg max stroke notch [Maintenance Shop]
323	Arbor Press, Bench top unit [Maintenance Shop]
323A	LOT of (2) Arbor Press, Bench top unit [Maintenance Shop]
323B	LOT of Assorted Tools, including Arbor Press, Pana-Vises, Spin Indexer, type PF7-5C, Royal Products CNC quick mount tools as shown [Maintenance Shop]
324	Skilsaw and Ridgid table and cut off saw, model 3400 and, 120vac, 60hz, 4800rpm, 10" dia [Maintenance Shop]
325	Wilton steel vise and pipe cutting tools, 6" jaw, swivel, pedestal type, and Ridgid pipe cutting tool/accessories as shown, including flip top portable support stand, and (3) manual pipe cutter [Maintenance Shop]
326	Trinco sand blasting system, model 48x36xDP850, s/n 54277-0 and DP850, Dry blast cabinet with dust collector/bag house, abrasive separator as shown 230v [Maintenance Shop]

327	Jet pipe bender, model JHPB30-, s/n 0912, stock no. 331910, Hydraulic, 3" schedule 40 max bending capacity rating, with (7) bending dies as shown on pallet [Maintenance Shop]
328	DI Acro Houdaille metal shear, model EF2120, approx 40" total width, foot operated [Maintenance Shop]
329	ACRA bender, model FP-S4812, s/n 2010018 (2002), 48" x 12 Ga, 1"thk x 48" width bending capacity [Maintenance Shop]
330	Miller welding machine, model Millermatic DVI, Dual voltage input, 115/230v, 19.5/25.4A, 4.7/4.9kw. 1 ph/60hz [Maintenance Shop]
331	Haas Automation vertical milling CNC machine, model VF-3SS, s/n 1053305, with tool changer, XYZ axis travel @ 40", 20", 25" @ 1400IPM, milling table x 48" x 18" with (1) milling vise, RH CNC operator's control, 24 pockets side mount tool changer, 833ipm max cut, vector dual drive, 30hp -spindle @ 12 ...[more]
332	Kurt CNC milling vise, 6" [Maintenance Shop]
333	Milling Tools /Accessories, Various types and sizes as shown, including collets,boring heads,milling cutters, platens, punchers, bits, block gauge, angle plates among others, on aluminum extrusion mobile table, included [Maintenance Shop]
334	Lathe Chuck, 3 chuck, 10" dia rated for 1700/min max, 81Nm max input force, 94.4kN max clamping force,
335	LOT of (12) Electrician's Instruments, Including (1) Der EE LCR meter, model DE5000, (1) Extech phase squencer, (1) Omegaette HHM93 multimeter, (1) Oister current calibrator, (3) Fluke i2000Flex AC current probe, (!) Amsa motion MPI, (2)model 7000 volt meters (1)probe [Maintenance Shop]
336	LOT of (6) Differential Probes, 1000Vrms max Cat III [Maintenance Shop]
337	LOT of (8) Hand Tube Benders, Including Imperial and Swagelok, various bending capacity and sizes as shown [Maintenance Shop]
338	Clamps, Approx 35pieces various sizes C and Kant twist clamps+ 3 wood clamps as shown [Maintenance Shop]
339	Craftsman tool chest, 7 drawers, with carry handles, with top tool chest, ball bearing grip latch, approx 40" x 16" [Maintenance Shop]
340	Butcher's Block Top Table, Modular type blue painted metal base support, approx 6' long [Maintenance Shop]
341	Precision Granite surface plate, O-Ledge model on angular steel framed support, mobile base [Maintenance Shop]
342	Workplace modular work bench, with butcher's block table top counter, with 6 drawers, undercounter cabinet, blue painted metal base/frame, table only, back stop, no tools included
343	LOT of (2) Porter Cable and Craftsman routers, model 1001- type 8 and 320.17541, fixed base, with (1) carry case, (NOTE: Porter Cable needs bearing replaced) [Maintenance Shop]
344	LOT of (5) Weller solders, Various models with associated stand and parts as shown [Maintenance Shop]
345	Welder's Accessories and Materials, including welder's mask, eye goggle, welding rods, buffing wheels, flux as shown, on mobile work table, included [Maintenance Shop]

346	[LOT] Just Rite acid cabinet and oil cans, including (2) red oil waste cans [Maintenance Shop]
347	LOT of (5) Central Pneumatics air tanks, 7 and 11 gallons portable aluminum type, 125psi and 160psi, 1/4NPT [Maintenance Shop]
348	LOT of (3) Electric Fans, Including (2) 30"dia approx stand fans and (1) 24"dia wall /ceiling hang [Maintenance Shop]
349	LOT of (6) Pelican equipment case, HD with wheel casters and retractable handles lockable latches, foam paddings [Maintenance Shop]
350	LOT of (2) Duo-Fast and Bostitch staple guns, model DSW-3522 and SW-1748, 16 gauge, 1-1/32" crown, 1/2 to 1-1/2" leg, (1) is cordless, 12v with charger and lithium battery, and (1) is pneumatic + staple wires as shown [Maintenance Shop]
351	[LOT] Assorted Handtools, Including hammers and mallet, hack saw, measuring tapes, steel brushes, scissors, files, snap on drivers, steel fish tape, harrington 3/4ton come along, wood plain, on rubbermate cart, not included [Maintenance Shop]
352	Milwaukee saw all, model Orbital, with extra blades, carry case, 11A [Maintenance Shop]
353	LOT of (2) Ryobi and Skilsaw circular saw, model HD77M and CSB123, 7-1/4" dia, 120v, 60hz, 12A and DC-AC 120v, 13A, 2-11/32" depth of cut @ 90 deg, 1-29/32 2 45deg [Maintenance Shop]
354	Milwaukee portable band saw, model Cat No 6230, s/n 678J406210646, 0-350Fpm, 120vwith carry case [Maintenance Shop]
354A	HILTI rotary hammer drill, model TE-2-S-02, s/n 254659, 120v, 60hz, n=1200/min, 7/8" max concrete, 1/2" steel max, with carry case [Maintenance Shop]
355	Modular Shop/Electrician Work Table, with (5) drawers, stainless counter, with wilton 4" wide jaw steel vise, with tool riser [Maintenance Shop]
356	[LOT] Assorted Bits and Blades, Including hole saw blades, drill bits for wood and metal, various sizes as shown and (1) Drill Doctor model 750SP drill sharperne [Maintenance Shop]
357	[LOT] Grease and Cauled Dispensers, Including Lincoln professional grease guns, Jin Lao southools, various sealant dispenser and assorted Silicone cartridges [Maintenance Shop]
358	[LOT] of (3) Hydraulic Jacks, Including (1) Transmission Jack, model 328.12001 and (2) Husky 6 ton bottle jacks [Maintenance Shop]
358A	Hydraulic equipment as shown with brass plates as shown [Maintenance Shop]
359	[Lot] Strapping and Torch Cart, with (5) strapping tensioning and cutting tools plus reel of strap as shown [Maintenance Shop]
360	[Lot] Wrench and sockets, various types, sizes as shown on 3 tiers metro rack, not included [Maintenance Shop]
361	[Lot] Hex Nut Drivers, Various type, make and sizes of HEX nut driver, plus Allen wrenches as shown on 2 shelves metro rack, not included [Maintenance Shop]
362	[Lot] Cutters, Various type including wire cutters/strippers, utility, and others as shown [Maintenance Shop]

363	MAXXAIR air circulator, model BF30DD, 30" dia, plus (1) TP industrial 16" dia approx [Maintenance Shop]
364	LOT of (3) Wet Dry Vacuum Machines, Including (@) Stinger-WD2025, (1) Ridgid [Maintenance Shop]
365	LOT of (2) Ridgid wet dry vacuum machines, 16 gallons capacity, 6.5HP peak unit [Maintenance Shop]
366	LOT of (4) Portable Ladders, 2 and 3 steps [Maintenance Shop]
367	LOT of (2) Hand Trucks, plus (1) small foldable [Maintenance Shop]
368	Seville butcher's block top workbench, model Classic, Ultra HD, approx 6'long x 25" x 30" to 42" height adjustable @ 1" increment, tubular steel framed legs support [Maintenance Shop]
369	Seville butcher's block top workbench, model Classic, Ultra HD, approx 6'long x 25" x 30" to 42" height adjustable @ 1" increment, tubular steel framed legs support [Maintenance Shop]
370	Bosch wet dry vacuum machine, model Air Sweep, with power broker, 13 gallons capacity, with 10A battery charger for 12 and 24v [Maintenance Shop]
371	[Lot] Pliers and Cutters, Various types of cutters and pliers, including long nose, wire cutters, and others as shown on (16) plastic bins [Maintenance Shop]
372	[Lot] Crescent Wrench and Vise Clamps, Various make and models plus (2) alligator pliers as shown on (7) plastic bins [Maintenance Shop]
373	[Lot] Screw Drivers, Various make and models, including for electrician use, philips and standard, on (15) plastic bins [Maintenance Shop]
374	[LOT] of (17) Wrenches, Including (6) pipe wrenches, 10", 24", 18", and (11) combination wrenches metric and english measure as shown [Maintenance Shop]
375	Flir System infrared thermal imaging camera, model i40, s/n 18211, 14400 pixels, (120 x 120)-4 to 662 deg F, sensitivity <0.1 deg C, fusion picture in picture, with HD carry case, plus (1) corded grinder and (!) CMP switching [power supply, 24W multi plug, 100-240vac, 50/60hz [Maintenance Shop]
376	[Lot] Assorted Accessories and Parts Kit, Includes Aimco spring balancers, various electrical parts, O-ring, Magnetics toroid ceramic coil rings, split /snap on ferrite EMI cable cores, shield bids as shown [Maintenance Shop]
377	[Lot] Scanners and Flow Meters, Including (9) Dwyer flow meters, (7) Symbol bar code scanners [Maintenance Shop]
378	Pick -up Truck Tool Box, Aluminum, diamond plate + (1) BF Goodrich tubeless tire, LT215/85R16 LRE M+S [Maintenance Shop]
379	[LOT] of (2) Storage Cabinet, Metal, 2 door with contents as shown [Maintenance Shop]
380	[LOT] of (2) Werner and Husky fiberglass ladders, 6' and 7' [Maintenance Shop]
381	Husky fiberglass ladders, 12' [Maintenance Shop]

382	TriArc roll around safety ladder, 7 steps [Maintenance Shop]
383	Predator generator, model 4000, item no. 69676, Gas engine 212cc, mobile base [Mechanical Plant Support]
384	Honda power washer, model Commercial 3200, 4.0GPM, 3200psi, GX340, 11.0 gas engine, mobile base [Mechanical Plant Support]
385	Kaiser air compressor, model SM11, 10hp, rotary screw, with digital touch pad Sigma control, 42CFM @ 110psig, 208v, 3ph [Mechanical Plant Support]
386	Kaiser refrigerated air dryer, model TA11, s/n 61115, 0.79lb charge, R134a, 260psig, 115v, 60hz [Mechanical Plant Support]
387	Kaiser air holding tank, approx 62" straight x 20" dia [Mechanical Plant Support]
388	Kaiser air compressor, model ASD 30, s/n 1240 (2006), with digital touch pad Sigma control, 125psig, 134CFM, 3ph/60hz, 3545 rpm, 30hp, 230/208/460v, 81/85/40FLA [Outside Tank/ Storage Conex Area]
389	Kaiser refrigerated air dryer, model TD51, s/n 1846 (2018), 230psig, 460v/3/60hz, 6la, 600v max, R-134a @ 3.20lb, 260psig max, 230psig min [Outside Tank/ Storage Conex Area]
390	Air Holding Tank, Steel, approx 24" dia x 6' straight [Outside Tank/ Storage Conex Area]
392	Ingersoll Rand refrigerated air dryer, model TMS-0280, s/nCCN-42528901, 203psi, R134a @6.17lbs, 0.22kw fan, 460v, 3ph/60hz [Outside by Tank Farm Area]
393	LOT of (16) West Air hydrogen storage tanks, Steel, @ 261cu-ft volume, each, CU# HY 300C on diamond plate skid with shut off valves, REE-249mL, TW135.1lb [Outside by Tank Farm Area]
394	LOT of (16) West Air hydrogen storage tanks, Steel, @ 261cu-ft volume, each, CU# HY 300C on diamond plate skid with shut off valves, REE-249mL, TW135.1lb [Outside by Tank Farm Area]
395	LOT of (16) West Air hydrogen storage tanks, Steel, @ 261cu-ft volume, each, CU# HY 300C on diamond plate skid with shut off valves, REE-249mL, TW135.1lb [Outside by Tank Farm Area]
396	LOT of (16) West Air hydrogen storage tanks and storage cabinets, Steel, @ 261cu-ft volume, each, CU# HY 300C on diamond plate skid with shut off valves, REE-249mL, TW135.1lb on (2) metal steel cabinet with vent and door latch with associated valves/manifold block as shown [Outside by Tank Farm Area ...[more]
397	LOT of (16) West Air hydrogen storage tanks and storage cabinets, Steel, @ 261cu-ft volume, each, CU# HY 300C on diamond plate skid with shut off valves, REE-249mL, TW135.1lb on (2) metal steel cabinet with vent and door latch with associated valves/manifold block as shown [Outside by Tank Farm Area ...[more]
398	LOT of (16) West Air hydrogen storage tanks and storage cabinets, Steel, @ 261cu-ft volume, each, CU# HY 300C on diamond plate skid with shut off valves, REE-249mL, TW135.1lb on (2) metal steel cabinet with vent and door latch with associated valves/manifold block as shown [Outside by Tank Farm Area ...[more]
400	LOT of (25) Reliance Metal aluminum sheets, 0.125 x 60"x72", 50lbs/sheet approx only [CONEX]
401	LOT of (45) Reliance Metal aluminum sheets, 0.125 x 60"x72", 50lbs/sheet approx only [CONEX]

402	LOT of (45) Reliance Metal aluminum sheets, 0.125 x 60"x72", 50lbs/sheet approx only [CONEX]
403	LOT of (45) Reliance Metal aluminum sheets, 0.125 x 60"x72", 50lbs/sheet approx only [CONEX]
404	LOT of (46) Reliance Metal aluminum sheets, 0.125 x 60"x72", 50lbs/sheet approx only [CONEX]
405	LOT of (46) Reliance Metal aluminum sheets, 0.125 x 60"x72", 50lbs/sheet approx only [CONEX]
406	LOT of (46) Reliance Metal aluminum sheets, 0.125 x 60"x72", 50lbs/sheet approx only [CONEX]
407	LOT of (45) Reliance Metal aluminum sheets, 0.125 x 60"x72", 50lbs/sheet approx only [CONEX]
408	LOT of (45) Reliance Metal aluminum sheets, 0.125 x 60"x72", 50lbs/sheet approx only [CONEX]
409	Container Providers International APS/Conexwest, model Type MS-201-2, s/n 18206 (2019), Max operating gross mass @ 67,200lbs/30,480kg, stack load @ 423,280lbs, 192,000kg @ 150,000newton stack force, approx reinspected 2024, with wood panel inside, provision for window openings, Timber component trea ...[more]
410	LOT of (74) Reliance Metal aluminum sheets, 0.125 x 36"x76", 30lbs/sheet approx only, sheet-5052-H32, ASTM-B-209 [CONEX]
411	LOT of (83) Reliance Metal aluminum sheets, 0.125 x 36"x76", 30lbs/sheet approx only, sheet-5052-H32, ASTM-B-209 [CONEX]
412	LOT of (83) Reliance Metal aluminum sheets, 0.125 x 36"x76", 30lbs/sheet approx only, sheet-5052-H32, ASTM-B-209 [CONEX]
413	LOT of (43) GI Sheets, Approx 48" x 48" plus pallet of approx 1"x1" x2" x 12" aluminum rectng tubings as shown [CONEX]
414	LOT of (34) Reliance Metal aluminum sheets, 0.125 x 48"x70", 40lbs/sheet approx only, sheet-5052-H32, ASTM-B-209 [CONEX]
415	LOT of (29) Reliance Metal aluminum sheets, 0.125 x 48"x70", 40lbs/sheet approx only, sheet-5052-H32, ASTM-B-209 [CONEX]
416	LOT of (34) Reliance Metal aluminum sheets, 0.125 x 48"x70", 40lbs/sheet approx only, sheet-5052-H32, ASTM-B-209 [CONEX]
417	LOT of (26) Reliance Metal aluminum sheets, 0.125 x 48"x70", 40lbs/sheet approx only, sheet-5052-H32, ASTM-B-209 [CONEX]
418	LOT of (34) Reliance Metal aluminum sheets, 0.125 x 48"x70", 40lbs/sheet approx only, sheet-5052-H32, ASTM-B-209 [CONEX]
419	Container Providers International APS/Conexwest, model Type MS-201-2, Max operating gross mass @ 67,200lbs/30,480kg, stack load @ 423,280lbs, 192,000kg @ 150,000newton stack force, with wood panel inside, provision for window openings, 8'x8'x8' approx only [CONEX] (NOTE: LATE CHECKOUT)
420	LOT of (34) Reliance Metal aluminum sheets, 0.125 x 48"x70", 40lbs/sheet approx only, sheet-5052-H32, ASTM-B-209, (2) stack) [CONEX]
421	LOT of (45) Reliance Metal GI Sheets, ASTM-A-653, CSG90, 48" x 72", 75lbs/sheet approx only [CONEX]
421A	LOT of (45) Reliance Metal GI Sheets, ASTM-A-653, CSG90, 48" x 72", 75lbs/sheet approx only [CONEX]

421B	LOT of (26) Ryrson aluminum sheets, 0.125" x 36" x76", Alum Coil 5052-H32, 33lbs/sheet approx only [CONEX]
421C	LOT of (26) Ryrson aluminum sheets, 0.125" x 36" x76", Alum Coil 5052-H32, 33lbs/sheet approx only [CONEX]
421D	LOT of (26) Ryrson aluminum sheets, 0.125" x 36" x76", Alum Coil 5052-H32, 33lbs/sheet approx only [CONEX]
422	CONEX, Approx 8' x 5' x 8' approx only, with provision for window openings [CONEX] (NOTE: LATE CHECKOUT)
423	CONEX, Approx 8' x 5' x 8' approx only, with provision for window openings [CONEX] (NOTE: LATE CHECKOUT)
424	LOT of (11) Reliance Metal aluminum sheets, 0.125" x 48" x 84" approx only [CONEX]
425	LOT of (14) Reliance Metal aluminum sheets, 0.125" x 60" x 130 " approx only [CONEX]
426	LOT of (30) Reliance Metal aluminum sheets, 0.125 x 36" x 120", approx only [CONEX]
427	LOT of (34) Reliance Metal aluminum sheets, 0.125 x 36" x 28.8", approx 12lbs/sheet, approx only [CONEX]
428	LOT of (34) Reliance Metal aluminum sheets, 0.125 x 36" x 28.8", approx 12lbs/sheet, approx only [CONEX]
429	LOT of (34) Reliance Metal aluminum sheets, 0.125 x 36" x 28.8", approx 12lbs/sheet, approx only [CONEX]
431	Steel Storage Box, Approx 8'x 30' x 8-1/2', with front and back vented dual doors, roof vents, plywood panels on wall, ceiling and floor, power outlet and bar stop socket on (2) raised floor on approx 2" x 6" I-beam base support [CONEX] (NOTE: LATE CHECKOUT)
432	LOT of (4) Fanuc production robot assembly, model S-5 Arc Mate, For parts /repair, 6-axis articulated, with (4) R model G-2 control cabinets, associated controls/components as shown, Unit # F19481, 7619, 7941, 19482 [CONEX]
432A	Shop Grinder / Sander Stand, with 1-1/2hp belt driven drive motor, on/off switch + (2) electrical enclosure [CONEX]
432B	Steel Channels, approx (25) 1"x1" x3" x 30", slotted gray painted [CONEX]
433	Fanuc production robot, model S-5 Arc Mate, s/n R91865261, 6-Axis, articulated, light parts handling, with RG2 Controller, servo system, unit F-11508, [CONEX]
434	Fanuc production robot, model S-5 Arc Mate, s/n R93865193, 6-Axis, articulated, light parts handling, with RG2 Controller, servo system, unit F-17142, with teach pendant [CONEX]
435	Fanuc production robot, model S-5 Arc Mate, s/n R93865193, 6-Axis, articulated, light parts handling, with RG2 Controller, servo system, unit F-7930 and 9179 [CONEX]
437	Steel Storage Box, Approx 8'x 30' x 8-1/2', with front and back vented dual doors, roof vents, plywood panels on wall, ceiling and floor, power outlet and bar stop socket on (2) raised floor on approx 2" x 6", I-beam base support [CONEX] (NOTE: LATE CHECKOUT)
438	[Lot] Roller Ball Transfer Table and Gravity Roller Conveyor Assembly Parts, Steel and aluminum extrusion framings by Roach Conveyors, associated pneumatic components, brace/supports, table segments, as shown [CONEX]

438A	Equipment Rollers, HD, including (1) set of Hillman rollers, (1) push and swivel type as shown [CONEX]
439	LOT of (2) Altergy hydrogen engine, model FCM5, on pallet as shown [CONEX]
440	Yellow Stone scaffolding members, model 60600099, 750lbs load capacity [CONEX]
442	Steel Storage Box, Approx 8'x 30' x 8-1/2', with front and back vented dual doors, roof vents, plywood panels on wall, ceiling and floor, power outlet and bar stop socket on (2) raised floor on approx 2" x 6", I-beam base support [CONEX] (NOTE: LATE CHECKOUT)
443	Pallet Rack, 3 Sections with (10) x 8' cross beams, (4) x 9' uprights, wood slat shelvings [CONEX]
444	LOT of (2) Alpha power supply equipment, model PN-3, Rainproof Type 3R, 120/240vac input/87/75/63 output 60hz, 031-103-XX(1-UPS), 2 compartments for fuel cell and battery [CONEX]
445	Steel Storage Box, Approx 8'x 20' x 7-1/2', with front vented dual doors, d bar stop socket on (2) raised floor on approx 2" x 6", I-beam base support [CONEX] (NOTE: LATE CHECKOUT)
445A	Nacelle power supply /backup equipment, Compact unit, pole mounted, 32bit digital signal controller, approx 16" x 47" x 17", was rated for 2.5kw, 48vdc, 52A nominal current, with HD Armando Cases, equipment travel case [CONEX]
445B	LOT of (3) LKM steel molding equipment components, model B903-23, B903-77, s/n 881269, Side Gate system mold base, spring ejector, with (2) skid of steel mold plates as shown, shipping tag shows 2442lbs [CONEX]
445C	Dayton pressure fan blower, model 2C890, 10" fan wheel dia, 115v with AC tech SCM series drive control [CONEX]
445D	Bike Rack Assembly + Miscellaneous Items, bolt on floor bike stand, water cooler, PVC curtain strips, slotted angle frames, PVC pipes [CONEX]
446	Power Back up Equipment System Cabinets, Including (1) FCE-5kw and (2) TPM power module components 125A/80VDC, with air cooling fan ductings on pull out tray, air vents, (1) Eaton UPS cabinet system with associated breaker switch, wiring components, digital monitor as shown [CONEX]
447	Power Back up Equipment System Cabinets, Fuel Tank Cabinet for 20kW Fuel Cell, Approx 37"x40"x72", with (3) Lincoln Composite Hydrogen tanks, model RH36A16-0621, (2007) 3600psig, (NOTE: See Photo for warning tanks not to be use by 2027 and buyer is responsible for regulations and paperwork before re ...[more]
448	LOT of (5) Fuel Storage Cabinets, approx 24" x 40" x 72", vented doors [CONEX]
449	LOT of (5) Fuel Storage Cabinets, approx 24" x 40" x 72", vented doors [CONEX]
450	Graco pressure tank, model 236149-series J06A, 5 gallons capacity stand alone spraying HVLP, to 100psi max, ASME rated, 30.5" x 65lbs, stainless, electroplated surface, 3/8"out, NPSM [Back Inside Building]
451	Graco pressure tank, model 236149-series J06A, 5 gallons capacity stand alone spraying HVLP, to 100psi max, ASME rated, 30.5" x 65lbs, stainless, electroplated surface, 3/8"out, NPSM [Back Inside Building]
452	Graco pressure tank, model 236149-series KO6A, 5 gallons capacity stand alone spraying HVLP, to 100psi max, ASME rated, 30.5" x 65lbs, stainless, electroplated surface, 3/8"out, NPSM [Back Inside Building]

453	1 FC Engine unit, mounted on aluminum extrusion frame, battery, power battery cable / terminal, with voltage tap, damper control, stack load PCB controls as shown, mobile base, [Production Area]
454	1FC Engine unit, 15 cell stacks, with associated PCB controls as shown [Production Area]
455	Reformer Unifier unit, s/n 48008, with catalyst reactor, Fenwal cat# 35-530501-003 ignition control, 12vdc, HGS-M controller, p/n 190--1-001-Rev B, with associated electrical/pneumatic flow and burner control [Production Area]
456	LOT of (96) Neon Control, Stainless Pressure Regulators, p/n 15-247B1-2AF7-LH--UM, 0-100psi [Warehouse Area]
457	LOT of (40) Copper Coils and Other Parts, including Reego brass fittings [Warehouse Area]
458	LOT of (80) FCE Engine Cabinet Drawer/Tray Slides [Warehouse Area]
459	LOT of PCB Control Boards, including voltage taps, FCE engine control processors, FET-Switches, DAC expansion boards, current sensors, among others as shown [Warehouse Area]
460	LOT of (3) Tank Hold Units, (1) with redundant valve manifold, associated hoses and fill /purge valve as shown, (2) not installed, bare units [Production Area and Outside by FIIIVehicle Area]
461	Benning power inverter, model Invertronic Modular, s/n BY2016-114, Pn 6140023088/type INVM-1-2-3-4, with backfeed control unit, bypass switch, 120/208vac, 3ph, 60kw, Led test reset panel, 48vdc input, 1368amps max, 6 feeds, 60kva, 60hz, Invertronic modular, with AC output breaker, Bussmann 50A disco ...[more]
462	LOT of (2) Methanol Reformers, 5kw fitted with tachometer speed control, thermocouple, 24v blower, distribution burner tube, control board p/n 109055, associated valves as shown [Back Inside Building]
463	LOT of (2) Nokia base station, model Flexi WCDMA -BTS, FSMD system module, (4) ANT, TX/RX, [Back Inside Building]
464	LOT of (2) Nokia base station, model Flexi WCDMA -BTS, FSMD system module, (4) ANT, TX/RX, [Back Inside Building]
465	BIRC II Fuel Cell Recirculating Engine, model FPS-548, 4kw, 48vdc nominal output, 105A, Standby power input @ 0.015kw, 48vdc, 0.3A, 40psig min, 150psig max, 300g/hr @ 5kw output, +10 degC min, 45 deg C max [Back Inside Building]
465A	BIRC II Fuel Cell Recirculating Engine, model FPS-548, 4kw, 48vdc nominal output, 105A, Standby power input @ 0.015kw, 48vdc, 0.3A, 40psig min, 150psig max, 300g/hr @ 5kw output, +10 degC min, 45 deg C max [Back Inside Building]
466	Hydraulic Scissor Lift Table, model H1784, s/n 14666, Lockable wheel casters, foot control [Back Inside Building]
467	Hydraulic Scissor Lift Table, Lockable wheel casters, foot control [Back Inside Building]
468	Hydraulic Scissor Lift Table, Lockable wheel casters, foot control, stainless table top [Back Inside Building]
469	5kw FCE Cabinet, Multiple compartments, for hydrogen gas generator, methanol reformer and batteries, fitted with approx 7 gal yellow air tank, methanol reformer unit, poly methanol tank, demand delivery pump, associated battery cable connector, and enclosure panels as shown approx 60" x 36" x 60", 4 ...[more]

470	5kw FCE Cabinet, Multiple compartments, for hydrogen gas generator, methanol reformer and (4) batteries, fitted with approx 7 gal yellow air tank, methanol reformer unit, poly methanol tank, demand delivery pump, associated battery cable connector, and enclosure panels as shown approx 60" x 36" x 60 ...[more]
470A	5kw FCE Cabinet, Multiple compartments, for hydrogen gas generator, methanol reformer and (4) batteries, fitted with approx 7 gal yellow air tank, methanol reformer unit, poly methanol tank, demand delivery pump, associated battery cable connector, and enclosure panels as shown approx 60" x 36" x 60 ...[more]
470B	5kw FCE Cabinet, Multiple compartments, for hydrogen gas generator, methanol reformer and (4) batteries, fitted with approx 7 gal yellow air tank, methanol reformer unit, poly methanol tank, demand delivery pump, associated battery cable connector, and enclosure panels as shown approx 60" x 36" x 60 ...[more]
471	Integrated Power Back up Equipment Cabinet, Multiple compartments with drawer slide for FCE or TSM, foam insulated interior wall, vented/cooling fan fitted enclosure, with hydrogen storage tank compartment, approx 42" x 60" x 72" [Back Inside Building]
472	Integrated Power Cabinet, for 10kw BIRC II installation, insulated interior, pull out drawers with provision for heater assembly, approx 30" x 26" x 72" [Back Inside Building]
472A	Fuell Cell Storage Cabinet with Composite Hydrogen Fuel Tanks, approx 40" x 25" x 72" all weather enclosure, rated to be hot swappable or refillable onsite, lightweight/compact footprint vent on door, including (2) Lincoln Composite, model #RH36A16-06219, 3600psi, (2007) (NOTE: notice shows, not to ...[more]
473	LOT of (2) Power Cabinet for 2.5kw and 1kw Engine, with built in fuel cabinet below @ 2.5kw + 12 hrs storage, approx 38" x 24" x 84", fitted with door latch, purge valve and supply valve manifold, and approx 24" x 20" x 30" 2 compartment for 1kw fuel cell stack [Back Inside Building]
474	Data Server Power System, Server cabinet fitted with Alteryx FPS-5 and TPM power module, plus IT stuff including HP ethernet switches, Dell Poweredge 2950, tape deck with HP 72.8GB Ultra 320 scsi, GT industrial PC units, + (1) mobile, IT rack /cabinet as shown (NOTE: IT instruments might be for part ...[more]
475	LOT of (3) Hydrogen Fuel Tank Storage Cabinet, with Door latches, vent on doors, for (8) tanks, approx 25" x 40" x 72" [Production Area]
476	LOT of (3) Hydrogen Fuel Tank Storage Cabinet, with Door latches, vent on doors, for (8) tanks, approx 25" x 40" x 72" [Production Area]
477	LOT of (3) Hydrogen Fuel Tank Storage Cabinet, with Door latches, vent on doors, for (8) tanks, approx 25" x 40" x 72" [Back Inside Building]
478	LOT of (3) Hydrogen Fuel Tank Storage Cabinet, with Door latches, vent on doors, for (8) tanks, approx 25" x 40" x 72" [Back Inside Building]
479	LOT of (3) Hydrogen Fuel Tank Storage Cabinet, with Door latches, vent on doors, (1) with tank hold/straps for (8) approx 25" x 40" x 72" [Back Inside Building]
480	Hydrogen Fuel Cell Engine Cabinet Assembly and Parts, Including, (1) bare (2) 3 compartment, for 5kw BIRC II, plus (17) vented door enclosures, [Back Inside Building]
481	LOT of (20) Northstar battery, model NSB92FT-HT RED and NSB40FT, rated for -40 degF to 149 degF operation, 3 stage terminal design, fast charge, 12v nominal, 3200A short circuit, varies capacity from 1 hr to 10hr for NSB92Ft, plus (4) CSB - XTV12200, 12v, 20Ah on pallet [Back Inside Building]

482	LOT of (14) Northstar battery, model NSB92FT-HT RED and NSB40FT, rated for -40 degF to 149 degF operation, 3 stage terminal design, fast charge, 12v nominal, 3200A short circuit, varies capacity from 1 hr to 10hr on pallet [Back Inside Building]
483	Power Engine Assembly, Including various parts for Nacelle and 5Kw engine cell power module, associated wiring, battery cable, air cooling ducts, panel enclosures, air valves and demand pump components (2) pallets as shown [Back Inside Building]
484	LOT of (3) Alpha power platforms / supply cabinet and assembly parts, model PN-3, for 1kw FCE use, 120v/240v input, 60hz, approx 26" x 24" x 44", multi compartment, with space for hydrogen fuel tank for a 2hrs on 3 pallets, all weather, type 3 enclosures, plus (1) gray electrical enclosure [Back Ins ...[more]
485	Alpha / Altergy 1kw power platform equipment, model FPS-136F/FPS-148F, Unit is 2sections, (1) for fuel tank storage, (1) for FPP electronic control section, for outdoor application, input 120v/240v, 50/60hz, 87v/75v/63v output, o31-103-XX(1UPS) configuration, rainproof-type 3 enclosure [Back Inside ...[more]
486	Alpha 1kw power platform cabinet, model PN3, For outdoor application, cabinet is model PN3, rated for CATV equipment, input 120v/240v, 50/60hz, 87v/75v/63v output, o31-103-XX(1UPS) configuration, rainproof-type 3 enclosure (2020) [Back Inside Building]
487	Alpha / Altergy 1kw power platform equipment, Unit is 2sections, (1) for fuel tank storage, (1) for FPP electronic with associated valve manifold and electrical and control parts, for outdoor application, input 120v/240v, 50/60hz, 87v/75v/63v output, o31-103-XX(1UPS) configuration, rainproof-type 3 ...[more]
488	1kw Power Platform Equipment, with Clary SP1250LE universal power conditioner, Alita-AL20SB air compressor, 2 compartments, for 1kw fuel cell stack and (2) fuel tanks with associated supply manifold and valves, regulators, gauges, power batteries, vented door enclosure [Back Inside Building]
489	Outback Power sine wave inverter charger, model VFX3648, 120vac, 60hz nominal values, AC input 60A, Ac output power @ 3600va @ 25 degC, AC continuous -30A, 45ADC battery charger current, 48vdc nominal, 42 to 68vdc input range, 90ADC max as shown [Back Inside Building]
489A	Outback Power sine wave inverter charger, model VFX3648, 120vac, 60hz nominal values, AC input 60A, Ac output power @ 3600va @ 25 degC, AC continuous -30A, 45ADC battery charger current, 48vdc nominal, 42 to 68vdc input range, 90ADC max as shown [Back Inside Building]
489B	Outback Power sine wave inverter charger, model VFX3648, 120vac, 60hz nominal values, AC input 60A, Ac output power @ 3600va @ 25 degC, AC continuous -30A, 45ADC battery charger current, 48vdc nominal, 42 to 68vdc input range, 90ADC max as shown [Back Inside Building]
489C	Power Converter Equipment/Components, Including, (6) Unipower model TPCMQR1U3-24, DC to DC converters, p/n 001-5209-0007, 3600w, 48vdc @ 75A, max power output, Delta CU-22WB, with Argus, MC-100amp, 36-60vdc, STSSS-1-1EA-1U-19A, 100-240vac, 50amp, STS-050A, 100-240vac, 50amp, 50/60hz, Inverter shelf, ...[more]
490	LOT of (7) Wiegmann electrical enclosure, model N412243008C, 23" x 30" x 8", gray [Back Inside Building]
491	Semiconductor Parts, Including DIGI KEY and Ferroxcube semiconductor products, tape reel resistors, cores, and reels of MWS wire Industries product [Back Inside Building]
492	AAVID Thermalloy aluminum heat sink extrusion products, (10) boxes @ 24 pieces/ box (approx 240 pieces @ 24lbs/box) low fin type [Back Inside Building]

493	LOT of (78) Parker and Solenoid Solutions manifold redundant valves, model ALT-A01834-001 and 2713X-A806-00, 12vdc, 8psig under seat, 11W and 100psi input, 3.5psi output on (21) boxes [Back Inside Building]
494	PRE Plastics fuel cell frame manifold, (38) boxes @ 50pieces/box, approx 13" x 6-1/2" [Back Inside Building]
495	Rework Boards /PCB, Including (8) boxes, including RMA # 1-181221001 @ 20 boards/box, stack load PCB-107316 rev4 and GE 1085T series surface mount terminals, p/n 10085TN-10PKG [Back Inside Building]
496	GreenHeck air cooling duct assembly, 16Ga GI materials, with end seal, axial fans, air dampers/vents, on (2) pallets [Back Inside Building]
497	LOT of (136) Control Board, model PCB no - 106970 Rev 5, with Current sensor -300A, on 2 pallets [Back Inside Building]
498	Aluminum Screens and Copper Sheets, with Various size and cut of copper sheet /panels and approx (10)rolls, approx 40" wide aluminum screen [Back Inside Building]
499	Switching Test Station, with bank of (10) axial fans, plus (8) MW-SD-1000L-24 power supply circuit, 24V input and output with current sensor, associated DC input/output battery power cable and terminal [Back Inside Building]
500	LOT of (10) FPS Service Control Modules, FPS-5(Freedom Power System) 5kw, with ethernet/CIB/Recirculation ports and cap charging / error/ communication / status lights, on/off switch [Tested FPS Storage Racks]
501	LOT of (10) FPS Service Control Modules, FPS-5(Freedom Power System) 5kw, with ethernet/CIB/Recirculation ports and cap charging / error/ communication / status lights, on/off switch [Tested FPS Storage Racks]
502	LOT of (8) BIRC II Fuel Cell Engine Assembly, partially fitted with manifold valves, ALITA air compressors, truck cooling fans, battery power cable connectors, (1) with engine control service module, [BIRC Engine Production Line]
503	[Lot] 5kw Fuel Cell Engine Components, Including, tray mounts, stack and exhaust ductings, tie rods, partly assembled engine cooling fan, braces, support assembly, some have manifold valves as shown [Back Inside Building]
504	Whalen Storage Racks, 2 -Sections, approx 150" x 24" x 50" 3-tiers, (3) uprights x (12)cross beams [Back Inside Building]
505	Whalen Storage Racks, 2 -Sections, approx 77" x 24" x 72" 3-tiers, (4) uprights x (12)cross beams [Back Inside Building]
506	LOT of (2) Butcher's Block Top Work Bench, approx 6' long with tubular steel legs support [Back Inside Building]
507	LOT of Tubings and Trims, including (6) rolls of yellow plastic tubings, (6) rolls of Trim-Lok trim and seal materials as shown Production Area]
507A	Dymax Fluid Path Parts, including p/n T18353, flex hose tube cutter, Fluid path kit -1050, GA140 ultra light weld adhesives, Production Area]
508	Whalen Storage Racks, 2- Sections, approx 150" x 24" x 72", 2 tiers, (3) uprights x 12 crossbeams, Production Area]
509	Storage Racks, 2 -Sections, approx 150" x 24" x 48" 3-tiers, (3) uprights x (12)cross beams [Back Inside Building]

510	LOT of Electrical Wires and Cables, various sizes /gauges / reels, on pallet and tubular steel wire reel mobile rack as shown Production Area]
511	LOT of Parts Rack, mobile with slotted bin storage panel, assorted valves, connection / precision fittings / pressure gauges, on yellow plastic parts bin Production Area]
512	LOT of (4) Pallets, Fuel Cell Engine stack components/parts, for CPTL, APTL, A-Cells, including stainless filled fins and A cell plates, poly stacking manifold, nickle foam catalyst, MEA -membrane electrode sheets, end plate rubber gaskets, and various parts too for reformer/purifier assembly as sho ...[more]
513	LOT of (3) 50 Stack FC Engine Units, made up of aluminum end plates, stainless A cell plates and filled fins Production Area]
514	LOT of (3) 50 Stack FC Engine Units, made up of aluminum end plates, stainless A cell plates and filled fins Production Area]
515	LOT of (3) 50 Stack FC Engine Units, made up of aluminum end plates, stainless A cell plates and filled fins Production Area]
516	LOT of (10) Reformer/Purifier Subassembly parts, (1) Xxilink platform cable USB connector, model DLC 10, inlet/outlet fittings, made up of aluminum and stainless components as shown Production Area]
517	LOT of (2) Dynatek -DyneCel composite fuel tanks, model 7M180H350M8C-EL, Luxfer advanced lightweight fuel storage, fast fill, with Tescom- model TV-011, 6400psi valve control, approx 20" straight, x 20" dia, (NOTE: See Photo for warning, do not use after 2026, buyer is responsible for regulations an ...[more]
518	LOT of (2) Dynatek -DyneCel composite fuel tanks, model 7M180H350M8C-EL, Luxfer advanced lightweight fuel storage, fast fill, with Tescom- model TV-011, 6400psi valve control, approx 20" straight, x 20" dia, (NOTE: See Photo for warning, do not use after 2026, buyer is responsible for regulations an ...[more]
519	LOTof (168) End Plates, [Lot] Aluminum Fuel Cell End Plates, 1 Pallet, approx 168 plates, p/n 108735 Rev 3, approx 1" x 8" x 13", non threaded, [Back Inside Building]
520	LOT of (91) Stainless tubings, threaded, approx 1/2" dia x 6'long on wooden crate
521	Parts, Various components, including frames, dampers, (2) Poly methanol tanks, Insulation ceramic heat blocks on 2 sections storage rack, not included [Back Inside Building]
522	Batteries, (66) Various sizes plus (3) boxes @ 10pieces/box, on pallet and carts, not included, Northstar, H-powersonic, PowerSafe, Podyyssey, 12v, with associated power terminal / charging cables as shown [Back Inside Building]
523	Cascade hydraulic scissor lift table, Stainless top/platform, foot pump control, with lockable wheel casters [Back Inside Building]
524	Cascade hydraulic scissor lift table, Stainless top/platform, foot pump control, with lockable wheel casters [Back Inside Building]
525	LOT of (3) Moeller Marine Product methanol tank, Poly, 50 to 60gal capacity, 3psi test pressure, (adaptable for below deck boat fuel tank) with anti siphon valve, associated, valves and coonection fittings as shown [Back Inside Building]
526	LOT of (6) Moeller Marine Product methanol poly tanks, model FT2913, 29gal / 106 ltr capacity, 3psi test pressure, (adaptable for below deck boat fuel tank) with anti siphon valve, associated, valves and connection fittings as shown [Back Inside Building]
527	Storage Racks, (3) Sections, approx 150" x 24" x 72" 3-tiers, (5) uprights x (18) cross beams [Back Inside Building]

528	Seville butcher's block top workbench, model Classic, Ultra HD, approx 6'long x 25" x 30" to 42" height adjustable @ 1" increment, tubular steel framed legs support, with blue suede cover [Back Inside Building]
529	Seville butcher's block top workbench, model Classic, Ultra HD, approx 6'long x 25" x 30" to 42" height adjustable @ 1" increment, tubular steel framed legs support, with blue suede cover, and table top plastic bin storage [Back Inside Building]
530	Seville butcher's block top workbench, model Classic, Ultra HD, approx 6'long x 25" x 30" to 42" height adjustable @ 1" increment, tubular steel framed legs support, with manual bench top cutter as shown [Back Inside Building]
531	LOT of (40) FCE Assembly Stacking Trays, for 50 stacks unit, aluminum extrusion base frame on (2) pallets Production Area]
531A	LOT] of (14) Bosch Conveyor Anti-Static Guard Tables on pallet, Production Area]
532	LOT of (79) FCE Stack End Plates, aluminum, threaded as shown on pallet and (4) boxes as shown approx 3/4"thk x 8" x 13", plus (6)Nacelle non threaded end plates, (4) reformer components with copper tube line as shown Production Area]
533	LOT of (3) Pallets, Reformer/Purifier Subassembly Parts, including stacking plates, stainless and aluminum as shown Production Area]
534	World Wide Advantage big lot of stainless fuel stack component for BIRC I - FCE, (193) boxes @ 50sheets/box, approx 6-1/4" x 13"(stainless A-Cell) [Back Inside Building]
535	LOT of Fuel Cell Engine Parts and Patterns, including (3) aluminum cell stackings patterns for 1kw, 2.5kw and 5kw FCE, plus (2)partial cell stack with stainless fins, plates, and (2) packets of nickle foams sheets as shown
536	LOT of (3) Metro racks for tray assembly, with (10) vertical divider/organizers, lockable wheel casters [Back Inside Building]
537	Niagara Thermal Product LLC stainless fuel stack component for BIRC 1 - FCE, model MFR-61228-53395A, (27) Boxes @ 68 pieces/box, P/N 102992, (filled fin /blocked fin) approx 13" x 6-1/4" @ approx 20lbs/box [Back Inside Building]
538	Metro Racks for FCE Tray Stacking, 2 Tiers, with lockable wheel casters, poly rail for Assembly trays [Back Inside Building]
539	Metro Racks for FCE Tray Stacking, 2Tiers, with lockable wheel casters, with poly manifold for FCE stack assembly as shown, included [Back Inside Building]
540	Pneumatic Fittings, Various types, sizes, quick connect/precision and valves on(8) boxes [Back Inside Building]
541	[Lot] PCB Boards, (6) Pallets, including, stack, current sensor, voltage taps and control boards as shown [Back Inside Building]
542	Parker and Solenoid Solutions fuel storage dispensing valves, model ALT-A01834-001 and 2713X-A806-00, (3) Pallets, including Parker, Solenoid manifold redundant control valves, 12vdc, 8psig under seat, 11W and 100psi input, 3.5psi output plus EATON Synflex connection hoses with tank fittings, regula ...[more]
543	Electrical / Electronic Parts, (8) Pallets of assorted types, makes, models for FCE and power equipment production [Back Inside Building]
544	Generac standby generator assembly, model G0070301, s/n 3005194998 (2019), 60hz, air cooled, 9kw to 22kw, 1ph/60hz, 75/37.5A - LPV, controller P/n 10000003293, 25 degC, with KGNXS-4262DB engine, 426cc, 3600rpm, Generac load center panel, radiator assembly, as shown, Evolution digital touch control, 7 ...[more]

545	LOT of (2) Rework Tables, approx 4' x 3' with light riser /overhead top shelf, tubular steel legs support with power outlets [Back Inside Building]
546	LOT of (5) Metro Racks, 2-Tiers, with lockable wheel casters [Back Inside Building]
547	Insulation Work Table, Modular type, with laminated table top, tubular steel legs support, and insulation roll rack, approx 36" x 5' [Back Inside Building]
548	Granite Finish Work Table, black polished table top, approx 20" x 7' long with tubular steel legs support, plus (1) Perforated wood tool organizer, wall mount [Back Inside Building]
549	Assorted Hand Tools, Including drill bit set, socket wrench set, various tool and shop parts/ materials, clamps, carpenters belt bags, riveters, bump caps, zip ties gun as shown [Back Inside Building]
550	Bosch tool, chargers and batteries, including (1) model FL10 and 1200, rechargeable flash light and dual temp glue gun, (9) and (9) of 30 minutes charger-model BC430, 120vac, 60hz, and batteries-model BAT411, 10.8v, [Back Inside Building]
551	Lamps and Lights, Including spot light, ring lights, among others as shown [Back Inside Building]
552	Mouser, Bussmann, Total Source battery connector and charging cables, Various sizes contact sets, for 12v to 36v, plus terminals, 350A, 600v red/blue and gray, [Back Inside Building]
553	Storage Racks, 2 -Sections, approx 150" x 24" x 72" 3-tiers, (3) uprights x (12)cross beams [Back Inside Building]
554	Assembly Table, Blue laminate top with gravity roller bin/box feeded under table, with lockable wheel casters, with pipe rack and side bin storage as shown, 48" x 30" x 36" [Back Inside Building]
555	Assembly Table, Blue laminate top with gravity roller bin/box feeder under table, with lockable wheel casters, with pipe rack, slotted bin rack, and side bin storage as shown, approx 54"x30"x 36" [Back Inside Building]
556	Assembly Table, blue laminate top with gravity roller bin/box feeder under table, with lockable wheel casters, with pipe rack, slotted bin rack, approx 72" x 30" x 36" [Back Inside Building]
557	LOT of (2) Assembly Tables, blue laminate top, (1) with 2 tier shelvings and back frame with slotted metal plastic bin storage panel, approx 22" and 16" x 4' x 3', lockable wheel casters [Production Area]
558	Assembly Table, blue laminate top, approx 30" x 8', with back frame, (2) slotted metal plastic bin storage panels, lockable wheel casters [Production Area]
559	Assembly Table, blue laminate top, approx 30" x 6', with back frame, slotted metal plastic bin storage panels, lockable wheel casters [Production Area]
560	Production Industries, Electricians Work Bench, with light riser, postform laminated top counter, tubular steel legs supports, with (1) tools drawer as shwon, approx 36"x 5' [Production Area]
561	LOT of (2) Assembly Tables, (1) 1 with pipe hanger rack, and (1) 2 tiers, white laminate top, lockable wheel casters [Back Inside Building]

562	Hot Plate, on postform laminate edge table, tubular steel legs support, approx 30" x 5' [Back Inside Building]
563	Modular Electrician Table, laminated table top, with riser shelf, blue painted tubular metal legs support, with power outlets, back and side stop, wire reel hanger, approx 30" x 6', underside riser work lamp [Back Inside Building]
564	Modular Electrician Table, laminated table top, (5) drawers with lock, riser shelf, blue painted metal legs/frame support, with power outlets, back and side stop, wire reel hanger, approx 30" x 6', underside riser work lamp [Back Inside Building]
564A	Small Parts Storage, (6) Multi compartments / drawers small parts storage with parts contents, included [Back Inside Building]
565	Semiconductor Parts, Various types, electronic devices/components, makes, including resistor tape reels, PCB boards, light reels, Digi-Key, Mouser, Arrow, Kemlet, on 5 tiers metro rack, not included [Back Inside Building]
565A	Ceramic Cores, (3) Boxes Magnetic ceramic cores, and custom coils for 7.5kw engine [Back Inside Building]
566	Semiconductor Parts, on (96) 3 drawers plastic small parts storage cabinets, with various electronic divices/components, on (1) 5-tiers metro rack, included, with lockable wheel casters [Back Inside Building]
566A	Semiconductor Parts, on (96) 3 drawers plastic small parts storage cabinets, with various electronic divices/components, on (1) 5-tiers metro rack, included, with lockable wheel casters [Back Inside Building]
567	Work Bench, butcher's block top counter, blue painted tubular steel legs
568	Work Bench, butcher's block top counter, blue painted tubular steel legs
569	Metal Storage Rack, 3 Sections, with (4) slotted uprights x 6', (18) crossbeams, x 6', wire weld deckings
570	Modular Work Desk, L type, with (3) under counter file drawers, computer pull out ttray, power outlet on back stop, laminated table top, blue tubular metal legs support [Back Inside Building]
571	FCE Misc Production Materials, Including SPL Pressurex Film, ultra low film, Sonotek-017-1907-003, Gore DRP diffuse reflector material, Ballard 1120GDS, and AVCARB GDS 3215, p/n DEV-80055-001, DEV 80091-001, on pallet [Back Inside Building]
572	Stack Cycling Station with 5Kw FCE Controls, (6) Stations, insulated chambers with (12) heating fans, (1) MW and (2) Phoenix Contact power supply, (6) FPS-5kw control units, [Back Inside Building]
574	Wire and Cables, (2) Pallets of assorted wires, cables, connectors, extension chords, circuit wiring as shown [Back Inside Building]
575	[LOT] of (4) Pallets, Electrical/Electronic Parts, including semiconductors, coils, PCB, terminal connectors and others as shown [Production Area]
576	Securall flammable cabinet, 2 Door, 3tiers [Back Inside Building]
577	Work /Test Station, Butcher's block top, approx 24" x 6', back to back set up, with Foot rest, under counter bin shelvings, slotted metal center plastic bin storage rack, tubular steel legs support, with yellow plastic parts bin, included [Back Inside Building]
578	Work /Test Station, Butcher's block top, approx 24" x 6', back to back set up, with Foot rest, under counter bin shelvings, slotted metal center plastic bin storage rack, tubular steel legs support, with yellow plastic parts bin, included [Back Inside Building]

579	Storage Racks, 2 -Sections, approx 150" x 24" x 72" 3-tiers, (3) uprights x (12)cross beams [Back Inside Building]
580	Purifier Sub Assembly Parts, Assorted parts and materials, including, 304 stainless tubings, methonal inlets, recuperator plates, ceramic, thin plate/graphite gaskets, core burner, nuts/bolts, reels of plastic tubings, semi rigid nylon, Insulation blocks on 2 sections storage rack, not included [Back ...[more]
581	Roseville Precision Inc duct/burner/ spun parts, model Duct ESM, Stainless, (3) Pallets and (2) wooden crates, with welded ducting, domed and coil components plus with boxes of aluminum domed parts as shown [Back Inside Building]
582	FV-SE and Co. KG-Fraudenberg fuel cell production materials, model H24C3, (4) Boxes, 450mm wide, and Shandong Polymer material, -PFSA membrane [Back Inside Building]
583	Modular Work Desk, approx 6' long x 30" wide, with (6) drawers, Laminated top, blue painted tubular steel legs / framing plus (1) Sheet cutter as shown [Back Inside Building]
584	LOT of (5) Metro Racks, 5 Tiers, with lockable wheel casters, back stop rail [Back Inside Building]
586	LOT of (5) Metro Racks, 2 Tiers, with lockable wheel casters, back stop rail [Back Inside Building]
588	LOT of (5) Metro Racks, 2 Tiers, with lockable wheel casters, back stop rail [Back Inside Building]
589	LOT of (2) Mobile Computer Tables, wire weld style, with overhead shelvings, lockable wheel casters [Back Inside Building]
590	LOT of (5) Metro Racks, 2 Tiers, with lockable wheel casters, back stop rail [Back Inside Building]
591	LOT of (5) Metro Racks, 2 Tiers, with lockable wheel casters, back stop rail [Back Inside Building]
592	LOT of (5) Metro Racks, 2 Tiers, no wheel casters [Back Inside Building]
593	LOT of (2) Storage Shelvings, Wire weld type with incline basket trays as shown [Back Inside Building]
594	Storage Shelvings, Wire weld type with incline basket trays and (1) tool spring balancer, and material reel rack as shown [Back Inside Building]
595	Various PCB, Assorted type, including FCE 5kw control boards, busbar panels, current sensors, power module controls, C@K/Ethernet boards, stack boards, on (2) pallets and (1) 2 Tiers metro rack, not included [Back Inside Building]
596	Assorted Hardwares, (2) Pallets [Back Inside Building]
597	LOT of (2) Electricians Work Table, Laminated top, with riser shelves, on tubular steel legs and frame support, with power outlets [Back Inside Building]
598	Heating Mats, (2) Boxes as shown [Back Inside Building]
599	Granite Finish Work Table, black polished table top, approx 20" x 7' long with tubular steel legs support, plus (1) Perforated wood tool organizer, wall mount [Back Inside Building]

600	Regulators, Assorted supply regulators as shown [Back Inside Building]
601	LOT of (13) Alteryg 5kw engine control assembly, model FPS 5, on 5 Tiers metro rack, not included [Back Inside Building]
602	LOT of (18) Alteryg 5kw engine control assembly, model FPS 5, (4) Pallets [Back Inside Building]
603	LOT of (2) 5kw FPS 5kw BIRC II Engines, on pallet [Back Inside Building]
603A	Sorensen modular dc power supply, model DCR 65-180, s/n 119, input @ 187-299vac, 3ph, 60hz, out put @ 0-55vdc, 0-180 A, plus plus (1) Eaton Powerware UPS [Back Inside Building]
603B	Avista Labs modular pem generator, model SR12, s/n 42, 500w power rating, 24-36vdc, [Back Inside Building]
603C	FC Control Modules, Including (1) transient power module, 1kw FCM, ultra cap transient modules and (1) [Back Inside Building]
603D	FC Engine, (1) FE Engine approx 1kw with voltae regulator, truck engine air cooling fan, plus (1) 1kw FC module, [Back Inside Building]
604	Power Back Up Engine Assembly, Including (1) integrated power engine cabinet, with associated FC engines, parts and accessories as shown [Back Inside Building]
605	Parts Cabinet and Shelvings, with Parts contents as shown, included [Back Inside Building]
606	LOT Of (3) Pallet Rack, Total 6 sections, approx (10) 12' x 42" uprights, (30) 8' cross beams [Back Inside Building]
608	LOT Assorted Scrap, Various sizes and cut out pieces, stainless and aluminum plus steel on pallet, and on metal storage, not included, and on pallet rack LOT 606, and metal shavings on plastic trash cans as shown [Back Inside Building]
609	LOT Parts Bin Organizer, Including (12) metal bins each with 6 plastic bins with electrical parts/ hardware contents as shown included, on 2 Tiers metal rack, with lockable wheel casters, included [Back Inside Building]
609A	LOT Parts Bin Organizer, Including (12) metal bins each with 6 plastic bins with electrical parts/ hardware contents as shown included, on 2 Tiers metal rack, with lockable wheel casters, included [Back Inside Building]
610	LOT Hurst NIDEC synchronous motors, (49)12vdc, direct drive, plus (390 pieces approx total) from (13) boxes @ 32/box of turntable type mini synchronous motors as shown [Back Inside Building]
610A	LOT Damper Controller PCB, model 109407 rev 2, (280 total) on (7) Boxes [Back Inside Building]
611	LOT Changsha Lyrum Materials Co Ltd. nickel foam, FC stack component - electrode catalyst, (196) Packets @ 45packet (8000 to 8820 sheets approx total) on pallet, p/n 102858 [Back Inside Building]
612	LOT Changsha Lyrum Materials Co Ltd. nickel foam, FC stack component - electrode catalyst, (220) Packets @ 45packet (9000 to 9900 sheets approx total) on pallet [Back Inside Building]
613	LOT IMI Nordgren and Solenoid Solutions solenoid valves, (700 to 720 pieces approx total) of p/n 244162, 12vdc, 100MOPD, 1/16 x 1/16, 3 way multi purpose, p/n 351118, s3, 1/4NPT, Grom, BRS, 2WNC, 1/4ORF, p/n 27M3X-A161-100, 13.6vdc, 14.2W, 1/4ORF, 50MOPD, on (16) boxes [Back Inside Building]

614	LOT of (6) Weigmann electrical enclosure, model N412243008C, 24" x 30" x 8, N4, single door, ANSI61, polyester powder gray, with NP3024CG x 28.2" x 22.2" panels [Back Inside Building]
614A	LOT of (6) Weigmann electrical enclosure, model N412243008C, 24" x 30" x 8, N4, single door, ANSI61, polyester powder gray, with NP3024CG x 28.2" x 22.2" panels [Back Inside Building]
615	LOT of (24) Sigmatron Int'l/Ablemex power board assembly, Conf coated on (12)boxes @ 2/box, p/n S52-103286-RevA, 103284 Rev C [Back Inside Building]
616	LOT 1kw Fuel Cell Parts, (6) Pallets and on (3) rack shelvings as shown, including fan ductings, enclosures, panel components, 1kw housing [Back Inside Building]
617	LOT Various Electrical/Electronic Components, Including (8) boxes@ 10/ box, Panduit copper lug/ one hole/flared barrel entry, and (3) boxes LCDX2 series connectors, (2) trays@ 73 pieces, Carling Tech breaker switches, x 20A, p/n HWI34HHelical flat wire conductors, end fittings, cable wiring terminal ...[more]
617A	LOT PROMP PCB, including control/ power boards on (2) boxes [Back Inside Building]
618	LOT of (120) DIGI -Key DC brushless cooling fans, model THB2048CT, DC 48v rating, 4.80A max input, 5800rpm, 23.410cu-mtr/min @ 827.37 CFM on (12 boxes) [Back Inside Building]
619	LOT Advanced Fabrication Tech 5kw fuel cell parts, Including Louver inlet/exhaust components, engine fan ducting panel, fan bumpout and bumpout fuel bay, [Back Inside Building]
620	LOT Equipment Travel Boxes, Metal with side handles as shown [Back Inside Building]
621	LOT Advanced Fabrication Tech various fuel cell assembly parts, Including truck engine cooling fans/ductings, housing panel, semi assembly with EMP -11" F11 series fans, Hubell resistor, [Back Inside Building]
622	LOT of (3) Fuel Cell Engine and Sub-Assembly, model FPS-548C and FPS-32.548C, 48vdc, 5.5kva 114.6A nominal output, 0.035kw, 48vdc, 0.73A nominal input, 275kpa (40psig min, 13034kpa (150psig) max inlet pressure, 405 grams/hr @ 5.5kw output, 10 degC to 46 degc max, 2.5kva, 48vdc, plus some parts as s ...[more]
622A	LOT Assorted Hardware, on 8 Tiers metro rack, not included [Back Inside Building]
623	LOT of (3) Metro Racks, 5 and 8 Tiers, lockable wheel casters [Back Inside Building]
624	LOT of (28) PCB Control Boards, model 106970 Rev 5, 48v, R130=10K, to R52=NI [Back Inside Building]
625	LOT of (2) Methanol Reformers, 5kw units [Back Inside Building]
626	LOT Niagara Thermal Product LLC stainless fuel stack component for BIRC I-FCE, model MFR-61228-53395A, (32) Boxes @ 68 pieces/box, P/N 102992, (filled fin /blocked fin) approx 13" x 6-1/4"(approx 2000pieces total) [Back Inside Building]
626A	LOT Niagara Thermal Product LLC stainless fuel stack component for BIRC I -FCE model MFR-61228-53395A, [Lot] Stainless Fuel Cell Components, 1 Pallet, 32boxes @ 68/box (approx 2000 pieces total) [Back Inside Building]
627	LOT ELGIN Fastener Group fuel cell stack tie studs, (5) Boxes, 5/16.25 x 6.050x0.750 min indented, Hex washer head, black E coat [Back Inside Building]

628	LOT Hydrogen Tank, model 1104, s/n 1104-003, UN3468, hydrogen in metal hydride storage system prototype, -10deg C min, 85 degC max, 1200psig max, on wood crate, with valve control as shown [Back Inside Building]
628A	LOT Swagelok, Hi-Lok, Western, Breeze fittings, Brass and stainless, precision/quck connect, 2, 3 and 4 ways, on pallet [Back Inside Building]
629	LOT Pipes, Rods and Channels, Brass, copper, stainless, some PVC, aluminum, various length and sizes [Back Inside Building]
630	LOT Purge Blocks, model 104642, (110) Purge blocks with PCB controls, (3) boxes aluminum alodine MIL-DTL-5541F-type 1 class 1a purge block contains hexavalent chromium, plus Parker pneumatic/hydrogen gas media and Eaton synflex manifold hose, plus Digi Key power distribution block IPOS 115A, 600v, o ...[more]
631	LOT Delfina purifier sub-assembly parts, model 108749, 0.9mm thk, 304 -2B, stainless plates, (2600 approx) on 26 boxes, plus (#) boxes Frenzelit, p/n 107981 thin graphite gaskets as shown [Back Inside Building]
632	LOT of (24) Interface Fans, model 104199A, with (3) axial cooling fans, on heat shrink panel with PCB control board each unit, on (2) boxes [Back Inside Building]
633	LOT DIGI -Key, Os-Con, electrical/electronic parts, Approx (11) boxes, including alum capacitors, p/n P16512TR-NO, RES-SMD, p/n 311-24.9KFRDKR-NP and varous p/n as shown, on pallet [Back Inside Building]
634	LOT Assorted BIRC Parts /Components, Including Parker hydrogen tank manifold hoses, tubings, foam tapes, stainless exhaust screen, as shown, on pallet [Back Inside Building]
635	LOT DIGI -KEY/Delta Electronics tube axial fans, model PFR0912XHE-SP00, (192 units) on (4) Boxes plus approx (70) on (4) smaller boxes various sizes as shown [Back Inside Building]
636	LOT DIGI -KEY, JST, Mouser electrical /electronic parts, Various parts including connectors and terminals, p/n 107003, capacitors, 2-input logic gates among others as shown on pallet [Back Inside Building]
637	LOT Roseville Precisions copper busbars, model 104626, (80 pieces) on (4) boxes [Back Inside Building]
638	LOT BIRC II Electrical/Electronic Components, (8) boxes, including p/n S52-104633-RevB, PCB purge block heater, Hubell capacitor on pallet [Back Inside Building]
639	LOT ALITA air compressors, model AL20SB, (84units approx total) on (17) Boxes, 12v, 3.2A, 20ltr/min @ 10kPa, 5-15kPa Nominal operating range [Back Inside Building]
640	LOT of (24) Alita air compressors, model AL40SB, on (3) Boxes, AC 12 v, 6amps, plus (1) box of long tie studs (2017) [Back Inside Building]
641	LOT RES-Q bolt stack stud, for 14 Cells UC-340F, on (9) Boxes @ 160studs/box, 5/16"-24 x 6.050 x 0.750min, indented hex washer head, GR.5 - Zinc clear - trivalent /bake, 0.0003min, plus (2) boxes of FC stack rubber end plate gaskets, p/n 106944 [Back Inside Building]
642	LOT Sigma International pcb assembly for BIRC II-FPC for Temperature Sensorsfor, fuel bank, among others (10) boxes as shown on, p/n S52-104328-RevA, 106935, 106930, 104098, [Back Inside Building]

643	LOT Farnam Tutco heating fans, (196 pieces approx total) on (4) Boxes @ 50/boxes, 175w, 120v, p/n AF201751200624 [Back Inside Building]
644	LOT of (9) FPS 5kw BIRC Engine Support Modules, model PFS-5, 48v, no Vtap clamp, with aux port, on/of switch, CIB/Recirculating/ethernet/ports, cap charge/communication/error/status light warning, [Back Inside Building]
645	LOT of (9) FPS 5kw BIRC Engine Support Modules, model PFS-5, 48v, no Vtap clamp, with aux port, on/of switch, CIB/Recirculating/ethernet/ports, cap charge/communication/error/status light warning, [Back Inside Building]
646	Koolspace wine cooler, model C-Series, 2- Door unit with (11) wire racks as shown [Back Inside Building]
647	Haler wine cooler, model BD01U0E0100, s/n BD01U0E0100BQ3CB019, Glass front door [Back Inside Building]
648	LOT Floor Mat, plus anti fatigue foam on pallet as shown [Back Inside Building]
649	Pallet Racks, (6) sections with (7) x 12' x 42" uprights, (40) x 8' crossbeams, wood block deckings [Back Inside Building]
650	Pallet Racks, (7) sections, with (7) x 12' x 42" uprights, (47) x 8' crossbeams, wood block deckings [Back Inside Building]
651	Pallet Racks, (5) Sections, with (7) 12' x 42" uprights, (27) x 8' cross beams, wood block deckings [Back Inside Building]
652	LOT Pallet Racks with Safety Gates, (4) Sections, with (5) x 12' x 42" uprights, (20) x 8' and (5) x 6' long crossbeams with (6) welded wire safety gate enclosures, approx 4' x 12 per gate [Back Inside Building]
653	BENQ 32" LCD wide screen monitor, model BL3200-B, s/n ETE7E05248SL9, Type BL3200PT, 100-240v, 50/50hz, 1.20A, with HD traveling case [Back Inside Building]
654	LOT Conventions/Trade Shows Display Equipment, Including collapsible pop ups/ modular displays and half moon wave counter plus interlocking floor tiles with carrying cases as shown [Back Inside Building]
655	LOT of (3) Patio/Beach Umbrella, Navy blue [Back Inside Building]
656	HAAG collapsible canopy, steel support, polyester covers, with storage bag, approx 10' x 10' x 7' [Back Inside Building]
660	LOT of (6) Rolling Stand, Stainless, plus (1) mobile worker stool with small plastic bin slotter storage panel [Back Inside Building]
661	LOT of (7) Assorted Stools, with and without back rest as shown [Back Inside Building]
662	LOT Air/Gas Tanks, Including 24) Luxfer- WK 498872, Oxygen first responder tanksTC-3HWM-153, DOTE-7235-2216, 45SCF, 2216psig, p/n L45N, expansion range 75-90cc, and (4) methane air gas calibration [Back Inside Building]
663	LOT of (14) Roll On Tables, approx 30" x 5', lockable wheel casters, [Back Inside Building]
667	LOT Coffee Makers, Including (1) BUNN p/n 38700-0011, model Axiom DV-TC series, plus (3) pots and (1) thermos plus coffee mugs as shown [Offices/Work Stations]
667A	LOT View Sonic projector, model PJ656, Ceiling mounted with white board, approx 12' x 8' [Offices/Work Stations]

668	LOT of (5) Herman Miller Aeron-AE123AWB office swivel arm chairs [Offices/Work Stations]
669	LOT of (5) Herman Miller Aeron-AE123AWB office swivel arm chairs [Offices/Work Stations]
670	LOT of (5) Herman Miller Aeron-AE123AWB office swivel arm chairs [Offices/Work Stations]
671	LOT of (5) Herman Miller Aeron-AE123AWB office swivel arm chairs [Offices/Work Stations]
672	LOT of (5) Herman Miller Aeron-AE123AWB office swivel arm chairs [Offices/Work Stations]
673	LOT of (5) Herman Miller Aeron-AE123AWB office swivel arm chairs [Offices/Work Stations]
674	LOT of (6) Herman Miller Aeron-AE123AWB office swivel arm chairs [Offices/Work Stations]
674A	LOT of (7) Herman Miller Aeron-AE123AWB office swivel arm chairs [Offices/Work Stations]
675	LOT of (30) Visitor Arm Chairs, Stackable [Offices/Work Stations]
676	LOT of (25) Visitor Arm Chairs, Stackable, fabric upholstered [Offices/Work Stations]
677	LOT of (2) Accent Tables, on Back up power -UPS frame (bare, frame only) [Offices/Work Stations]
678	HP 44" wide print printer, model Q668A-DesignJET -T1100ps, s/n MY7450C01T, 200w, 50/60hz, 100-240v, 2a, with extra toner as shown [Offices/Work Stations]
679	HP printer/copier, model Laser Jet MFP series, Digital control, [Offices/Work Stations]
680	LOT of (2) Brother and HP printer/copier, model DCP-7040 and Laser Jet 4 [Offices/Work Stations]
680A	LOT of (2) Brother printer/copier, model 2300W [Offices/Work Stations]
680B	LOT of (2) HP and Canon printer/copier, model Super G3-Faxphone L60 and LaserJt P1006 [Offices/Work Stations]
681	Kyocera printer/copier, model Taskalfa 3051ci, Digital control [Offices/Work Stations]
682	Formax document shredder, model FD8400CC, Touch digital control, cross cut auto stop start, 20 shts capacity rating, high security setting, 30fpm [Offices/Work Stations]
683	Fellowes document shredder, model DM1SC, Cross cut, 15 sheets capacity rating [Offices/Work Stations]
684	LOT of (11) AOV flat screen computer monitors, model ASO T38, 20" [Offices/Work Stations]
685	LOT of (6) Dell flat screen computer monitors, 24" [Offices/Work Stations]

686	LOT of (8) Dell flat screen computer monitors, 20" [Offices/Work Stations]
687	LOT of (13) Dell flat screen computer monitors, 20", 24", 18" [Offices/Work Stations]
688	LOT of (4) Lap Top Computers, (3) Dell-Latitude E6400, P46G, PTOP30, (1) Compaq-EvoN400C [Offices/Work Stations]
689	LOT of (5) Lenovo and Dell lap top computers, T43 and Precision M4800 [Offices/Work Stations]
689A	LOT of (5) Compaq, lap top computers, NC600, Bang and Olufsen-Zbook, HP-ASLT18 [Offices/Work Stations]
689B	LOT Desk Top Computer Assembly, approx 20, various make and models, for parts, or for recycle [Offices/Work Stations]
690	LOT of (8) Dell desk top computer tower cpu, Various models, plus (1) Sea Gate Think center, 4T capacity, p/n 9SP5Ar-500 [Offices/Work Stations]
691	LOT of (8) Dell desk top cpu, model Optiflex 3060, 3040, [Offices/Work Stations]
692	LOT of (7) Dell mini desk top cpu, model Optiflex 0020 [Offices/Work Stations]
693	LOT Big Lot of IT Parts, Paraphernalia /Accessories, Including keyboards, mouse, monitor stands, lap top bags, cablewares, power supply, communication cables, PCB-control boards, memory chip, internal drives, Windows softwares, lap top dock, [Offices/Work Stations]
