117	Lance light
120	Robert Morse Lancer sideloader lift truck, LP, model - TD14, capacity - 12,000
121	Micro Air air cleaner
122	Grizzly lathe, model - 1642
123	compressor
124	Transformer

---

---

125	solvent recovery tank
126	Camfil Farr mini dust / fume collector, model - GS-4
127	plastic tank, gallon capacity - 1000, model - 1CT 1000
129	duct work
130	Torit Down Flo, model - DFT4 - 43
130a	Quincy air compressor, 60 horsepower
131	AVS vacuum furnace with controls
132	Binks Dynaprecipitor wash spray booth
133	LeBlond lathe
134	Poly Processing drum containment stand
135	(6) metal pipes, approx. - 40' each
136	filter & pumps
137	hoppers & tanks
138	large condensing unit
139	Farrell Watson Stilman Extruder
140	NOX stainless vented cyclone
141	Stainless mixer
142	blower
143	large assortment of equipment & scrap
144	JLG Scissor lift
145	Big Joe lift, model - PD20-56, capacity - 2000 lbs.
146	Lepel high frequency Resistance heater, model - 1-10-3

---

---

147	Daleck Varian Sputtering System
148	Sheffield Vickers Hardness Tester, model -MVK-C, number - 7008
150	LSI Pipe Blaster System
151	LSI Slurry Application System
152	LSI Fusion System
153	LSI NDT System & LSI Pipe Translation System
156	LSI Quench System
158	LSI Shielding System / Office with mezzanine
160	LSI Compressed Control System
161	{ Choice of lots: 161, 162 } Mattson Technology Power Supply / High Power Lamp, 500 KW
162	{ Choice of lots: 161, 162 } Mattson Technology Power Supply / High Power Lamp, 500 KW
163	{ Group of lots: 163, 164 } Ingersoll Rand Air Compressor, model - EP200, hours - 53,534
164	{ Group of lots: 163, 164 } Kaeser Dryer, model - KED800, serial number - 313A-3-8906-14K
165	Drake water cooled chiller, Copeland Compressor ( R22), Copeland compressor ( R407C)
166	{ Choice of lots: 166, 167 } Air Tank / accumulator, 2250 gallon
167	{ Choice of lots: 166, 167 } Air Tank / accumulator, 2250 gallon
